

Recyclable materials

Paper and cardboard

- Newspapers, flyers, magazines, sheets, lottery tickets, envelopes and paper bags
- Books, catalogues, phone books
- Eggs boxes, rolls and cardboard boxes
- Cartons of milk, juice and cream
- Aseptic containers like Tetra-Pak (wine, juice, broth containers, etc.)

Glass

- Bottles and glass jars, no matter what color

Metal

- Tin cans
- Aluminum plates, cans and foil
- Metal lids and covers
- Cardboard containers with a bottom made of metal

Plastic

- Bags, wrapping films, plastic covers and caps
- Bottles and containers (cosmetics, personnel care and cleaning products) with these symbols:

Before putting your items in the recycling bin, follow these steps:

- Rinse them to avoid contamination of the others items. You can do it while you do your dishes, so you'll save water at the same time!
- Drain them.
- Remove the cap or the cover from the container and put them all in the recycling bin.

All items should be left loose in the recycling bin. The exception to this are plastic bags and films. Use a transparent plastic bag to put them all in but be sure everything is clean before. Do not use grocery bags or other non-transparent bags (green or black) to put them in: they will be considered as garbage and will be treated as such.

Items accepted at the Écocentre of Saint-Alphonse:

- Branches and pruning debris;
- Christmas trees, grass, tree leaves and other garden debris;
- Rock, concrete, brick, asphalt;
- Metal, iron, aluminium, empty paint containers;
- Unusable or reusable items: electronics, appliances, furniture, bikes and outdoor toys;
- Empty printer cartridges;
- Various batteries and car batteries;
- Hazardous household waste (HHW);
- Used oils and filters;
- Empty or expired propane tanks;
- Tires without rims (max size of 48.5 inches);
- Fluocompacts lamps and fluorescents tubes.

Need help?

Call us or contact your town hall.

Be careful with the undesirables!

The following items are often found in the recycling bin, but they should not be there.

- Strapping (nylon bands used for shipping)
- Construction debris (wood, pvc, pipes, polyethylene, etc.)
- Dirt, rocks, branches and tree leaves
- Christmas lights, electrical wires
- Blue tarps, pool and trampoline canvases
- Window blinds
- Clothes, shoes and accessories
- Electronic and computer equipment
- Dishes, pyrex and porcelain
- Printer cartridges
- Patio chairs and tables
- Garden hoses
- Animal remains
- Clothes lines
- Toys
- Plastic without a recycling symbol or with this one:

To hold on to

Short recycling guide

Recycling is good...

Recycling properly
is even better!
